PR2003249 – NORCAN  
Guarding system with sliding doors for storage area

**EC20H00219-AC**

PR1912550 – Norcan GmbH  
Standard modular enclosure for area with a robotic arm

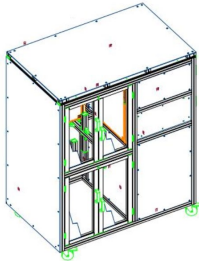

**EC19Z00135**

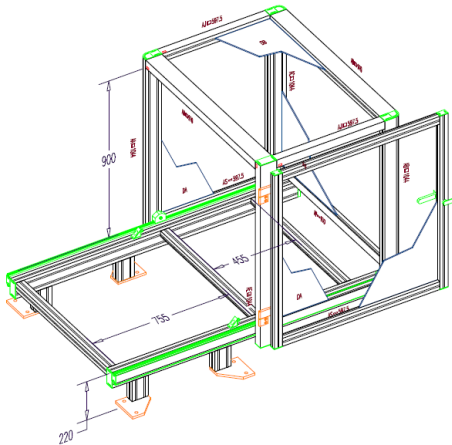

PR2002207 – SEP/WEC  
For laboratory

**EC20M00152**

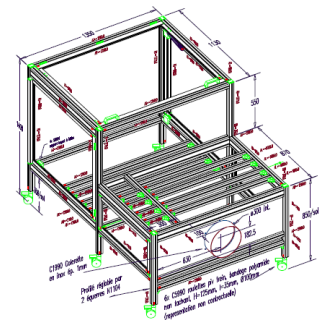

PR1911124 – PAG/VJU  
Thermal enclosure

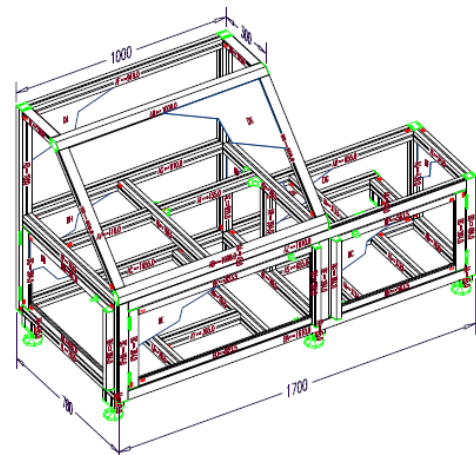

**EC20L000207**

PR2008025 – CLI/NCA

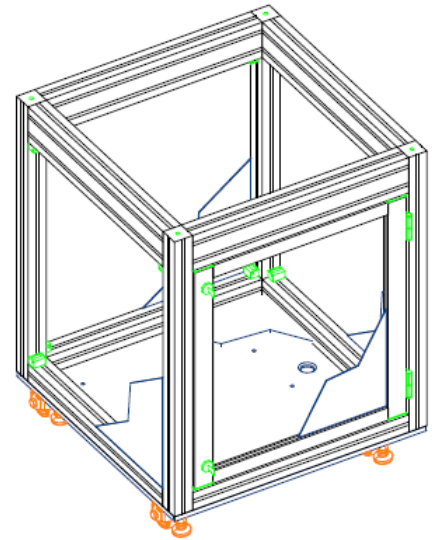

**EC20W00191**

PR2005447 – LBE  
Protective casing

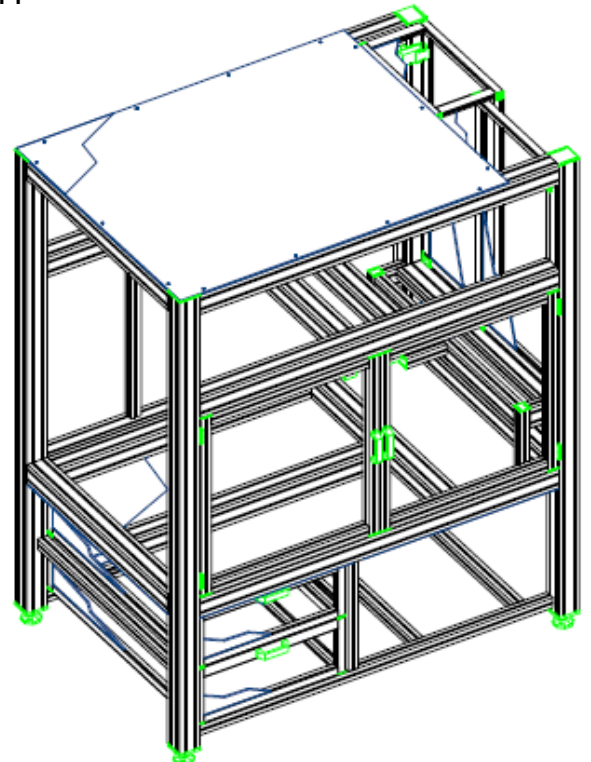

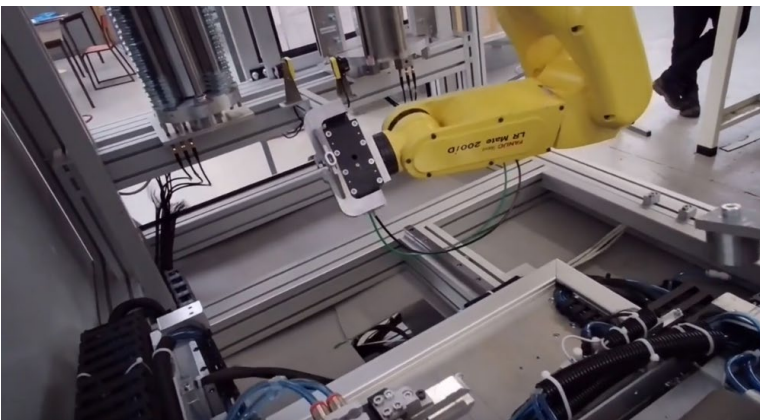

**EC20Q00130**

PR1908819 - MGR/LOM  
Support trolley for robotic arm

**EC20X00173**  
**EC20X00147**

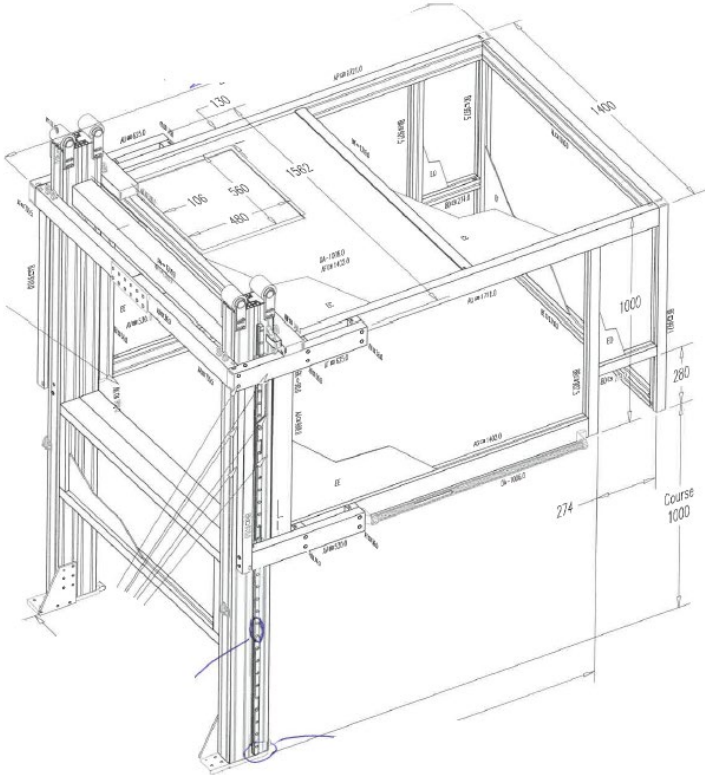

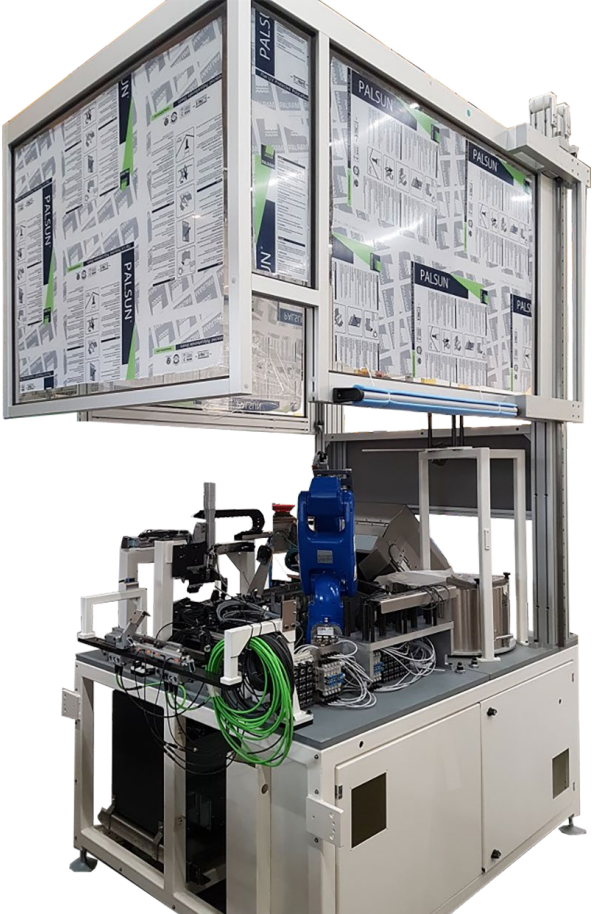

N18C156 - CLI/LOM  
Self-supporting structure for robotic arm

**EC18D0005**

PR1910278 – HRO/CHS  
Vertical balanced housing 1900x1300mm  
- 2 profiles 90x90

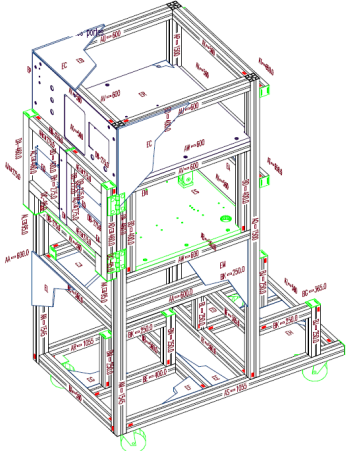

**EC18Z00212**

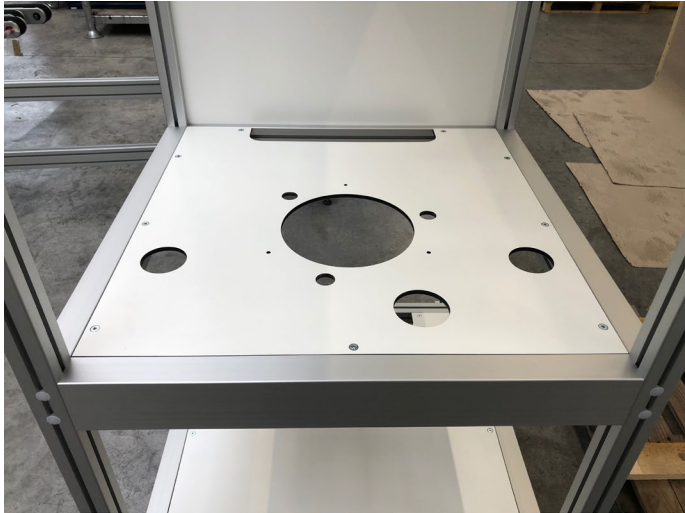

PR1911712 – MGR/CHS  
Frame for housing a laser engraving  
device

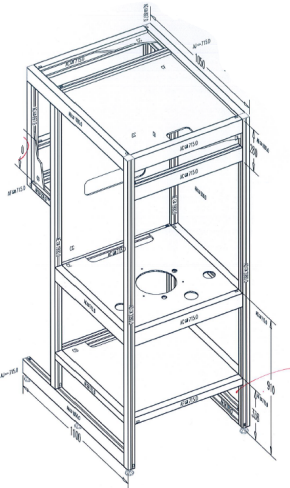

**EC16X00010**

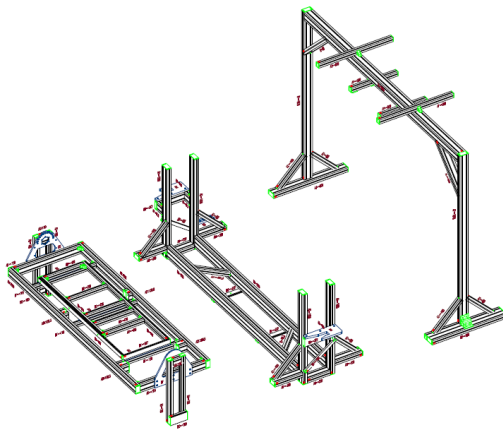

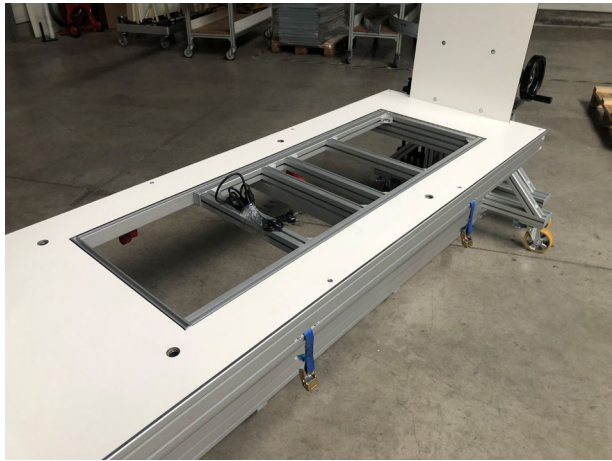

PR2007457 – HRO/PRB  
Structure

**EC20V00112**

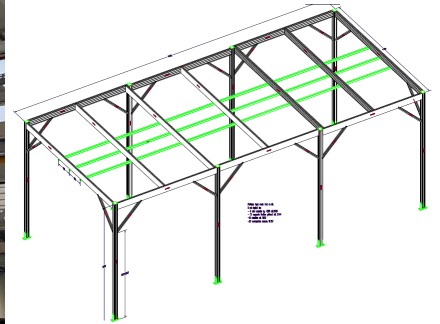

PR1910181 – SEP/VJU  
90° rotation of a cockpit with less pain

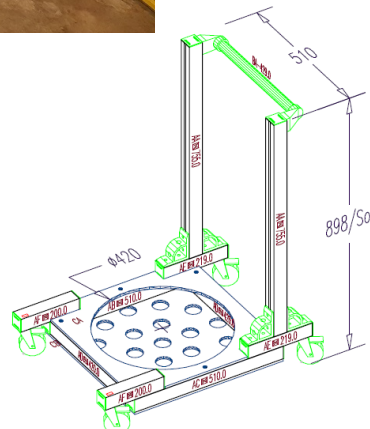

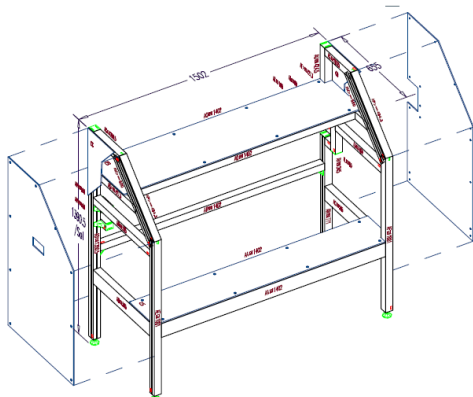

**EC19Y00353-AD**

PR1910119 – LDB/CHS  
School porch

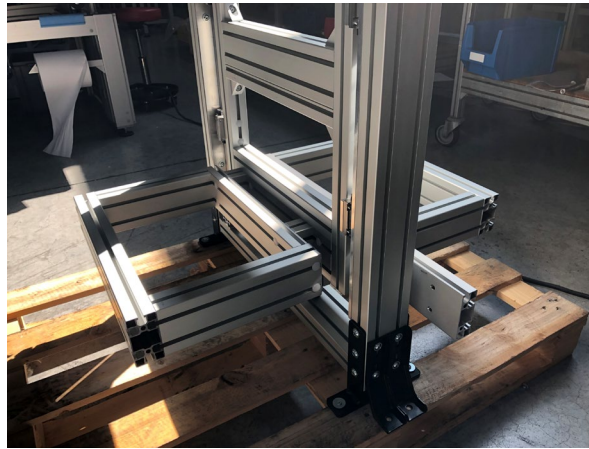

**EC19Z00144-AB**

PR1903467 – HRO/ZES  
Frame for filtering system

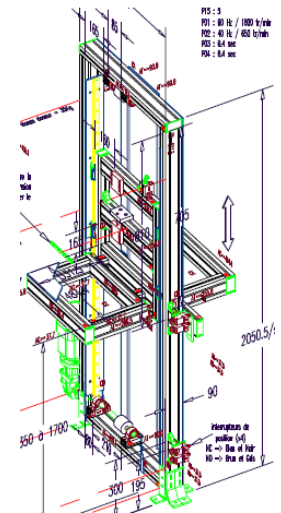

**EC19K00206-AB**  
**EC19K00208-AB**

PR2002875 – LDB/ZES  
Up and down batcher

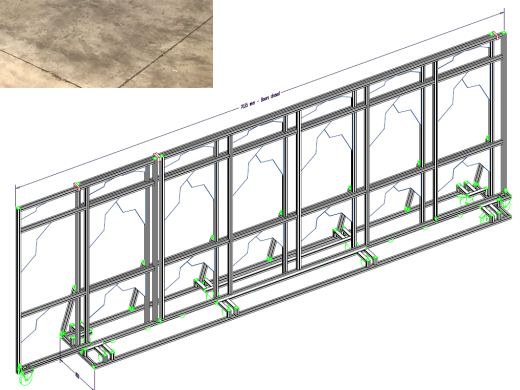

**EC18E00447**

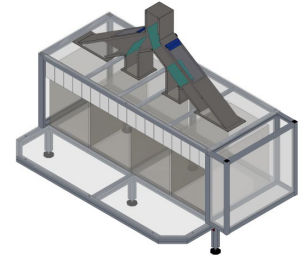

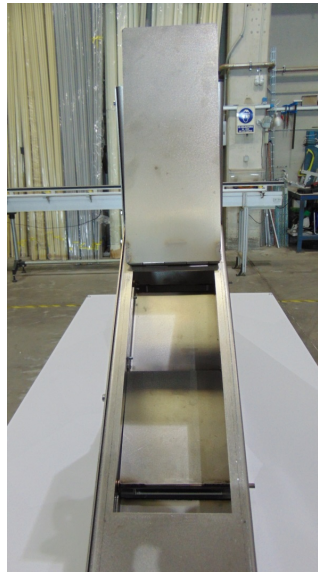

PR2004049 – Norcan Polska  
Movable separating panels for welding areas

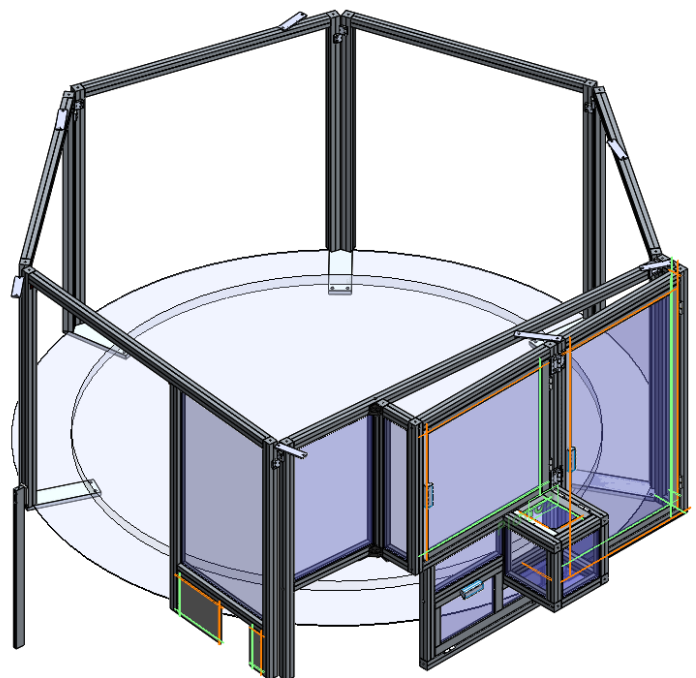

**EC20L00105**

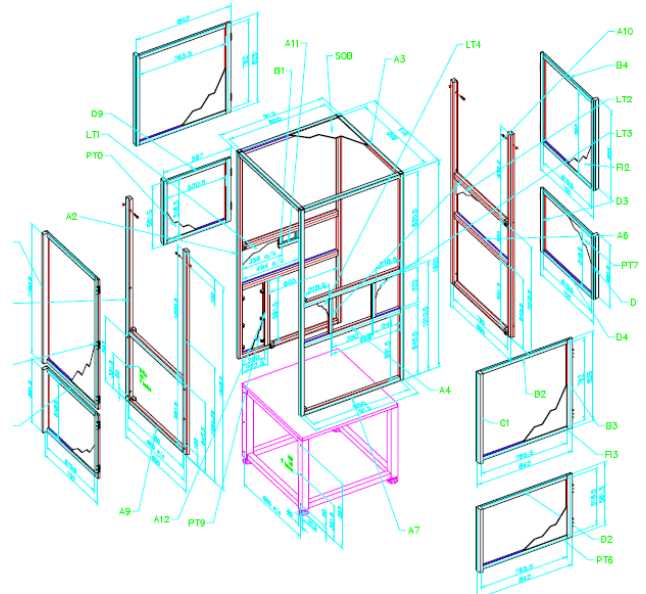

MN15977 – Norcan Hispanica  
Automatic plastic caps dispenser.  
4 cardboard boxes are placed inside the structure, The filling is sequentially carried out. Inside the chimney there is a bypass with actuators to distribute the pieces, preliminarily counted by the extruder itself.

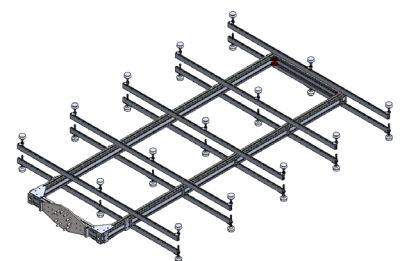

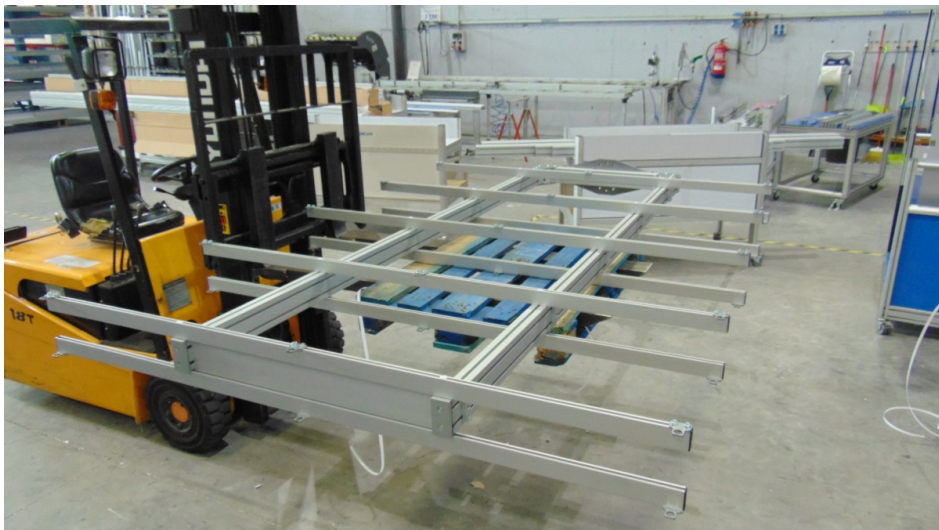

MN16433 – Norcan Hispanica  
Protective casing for the pressing of CLIPPER lighters, The structure is perfectly articulated with openings on the front to allow for a better access to the equipment.

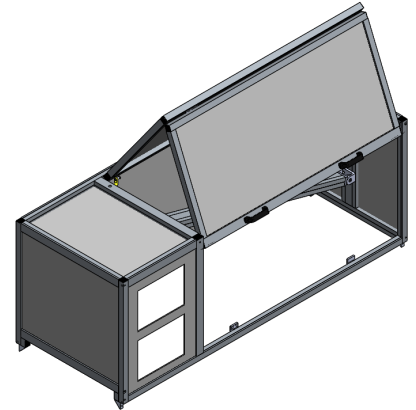

MN16561 – Hispanica  
 Completely modular taylor-made casing  
 with fast fixation for a machine  
 manufacturer

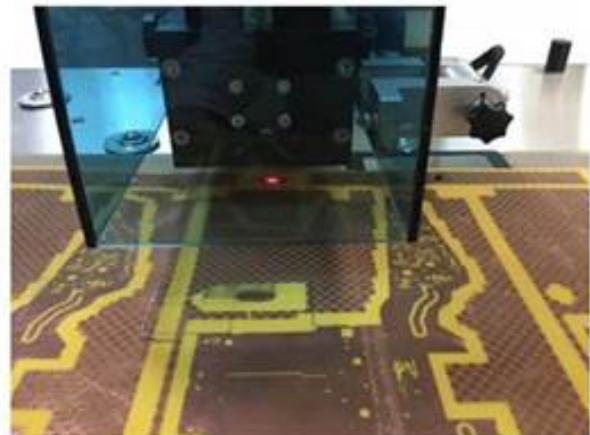

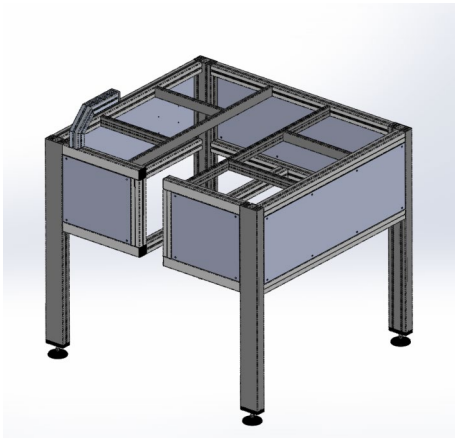

MN16751 – Norcan Hispanica - Claw with dimensions  
 2750x1820x210mm for a robotic ABB arm – Handling of  
 cardboard sheets 3400 x 2200 mm. No166 aluminium  
 profiles are used as fillers for 30 suction cups (15 per side)

MN16739 – Norcan Hispanica  
 Casing with an ergonomical opening  
 We maximize the opening gap on the front  
 and top of the box to increase the operator's  
 control. The shock absorbers compensate for the weight and  
 trajectory of the folding door

MN15993 – Norcan Hispanica- Simple structure for a laser  
 head, Table equipped with balls to convey circuit boards.  
 With closing panels in ALUCOBOND so the customer can  
 easily integrate external devices

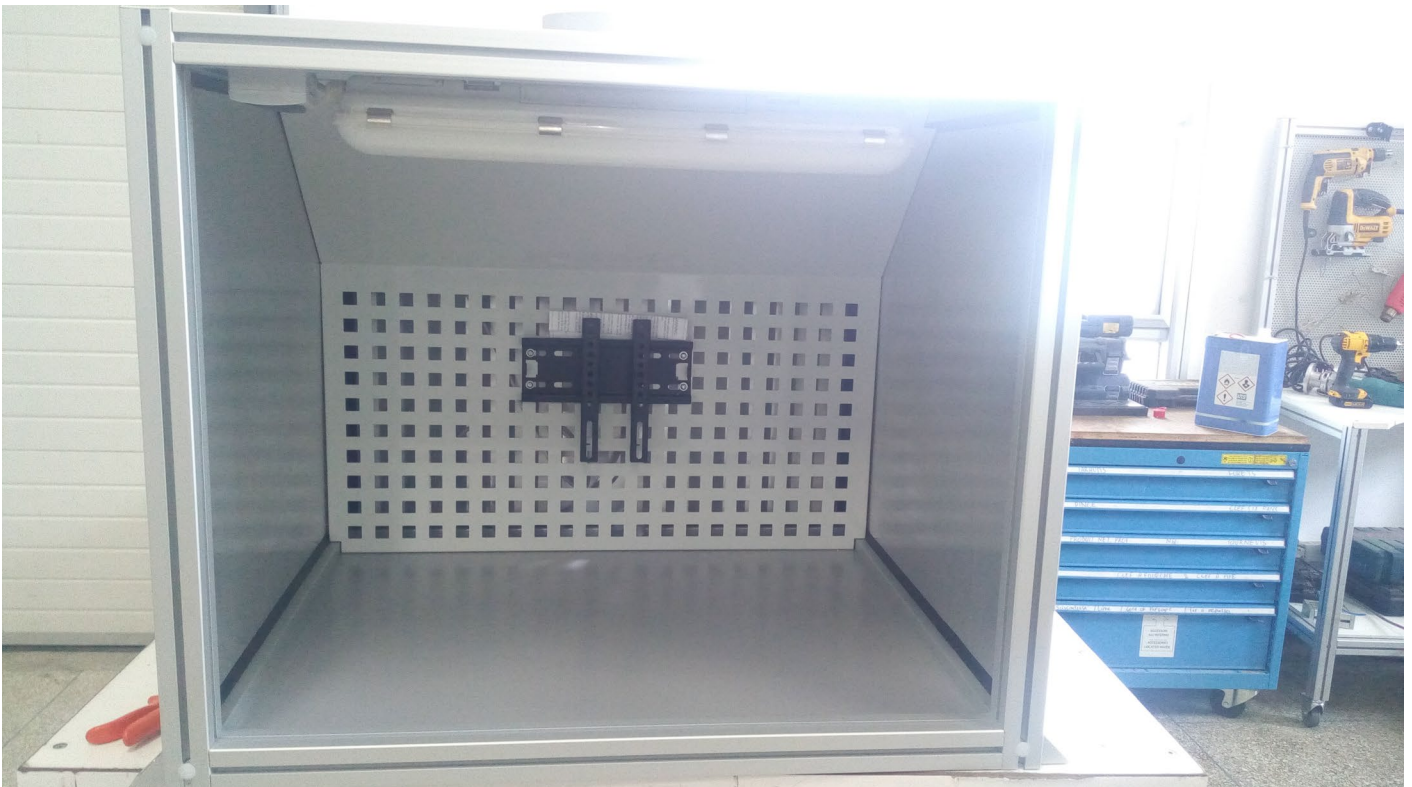

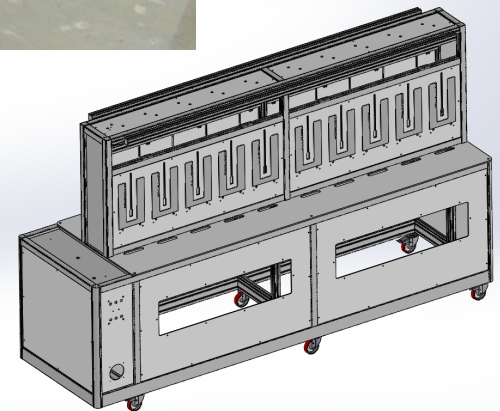

MN16654 - Norcan Hispanica  
Bench for the calibration of electronic  
measuring devices

Norcan Morocco -  
Extractor hood for vapors from glue or  
welding fumes : The suction is carried  
out through the square holes in the grid

Norcan Morocco -  
PST mix

Norcan Morocco -  
Pactibox storage

Norcan Morocco -  
Frame for riveting

Norcan Sverige - Pinching conveyor to transport bottles through a labelling device

Norcan Sverige - Machine guarding with folding doors

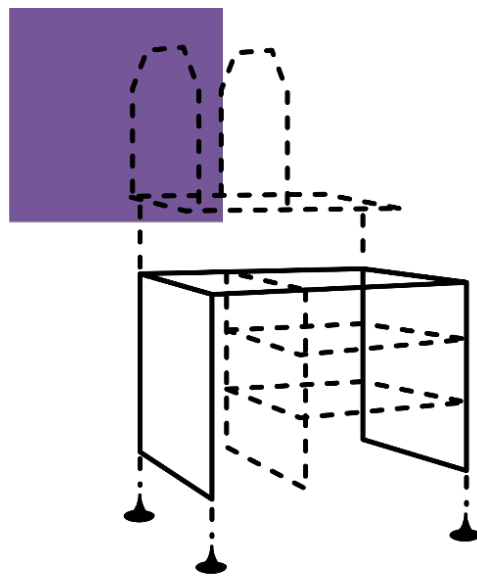

Norcan Sverige  
Cryogenic cabinet for safe filling  
of liquid nitrogen bottles

Norcan Sverige - Sphere with  
cameras for 3D  
modeling of people and objects

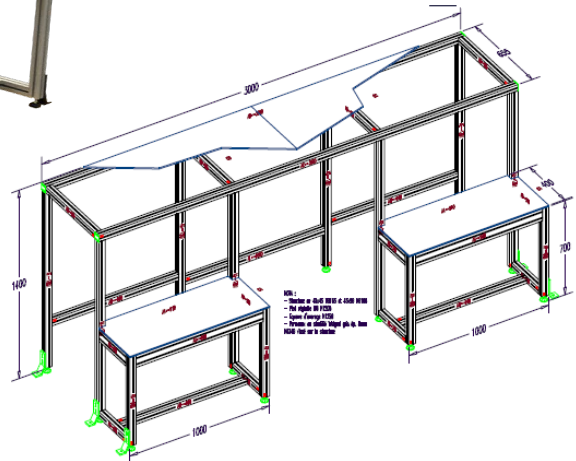

Workstations and  
technical furniture

**EC20V00157-AA**

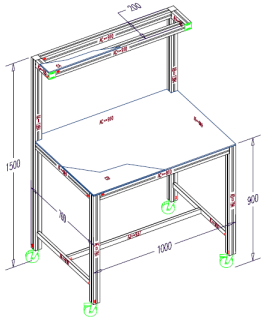

PR2008118 – RNA/VBE  
Workstations

PR2009533 – HRO/CHS  
Dismantling stations for spraying systems

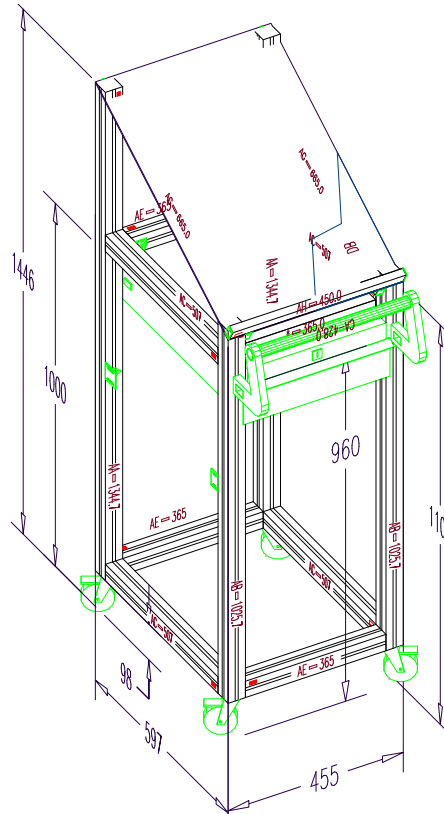

PR2008904 – RNA/NCA  
Workstations

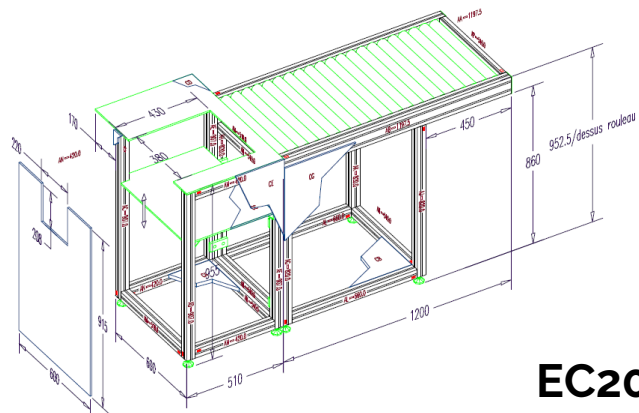

**EC20X00491**

PR1901562 - CLI  
Tool holder

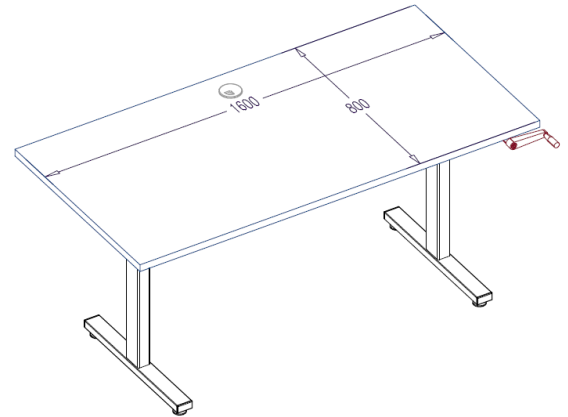

EC18W00394

PR2005522 - CLI/NDO  
Table with rollers

EC20A00090

PR2000397 – Norcan GmbH  
Desk with manual height adjustment

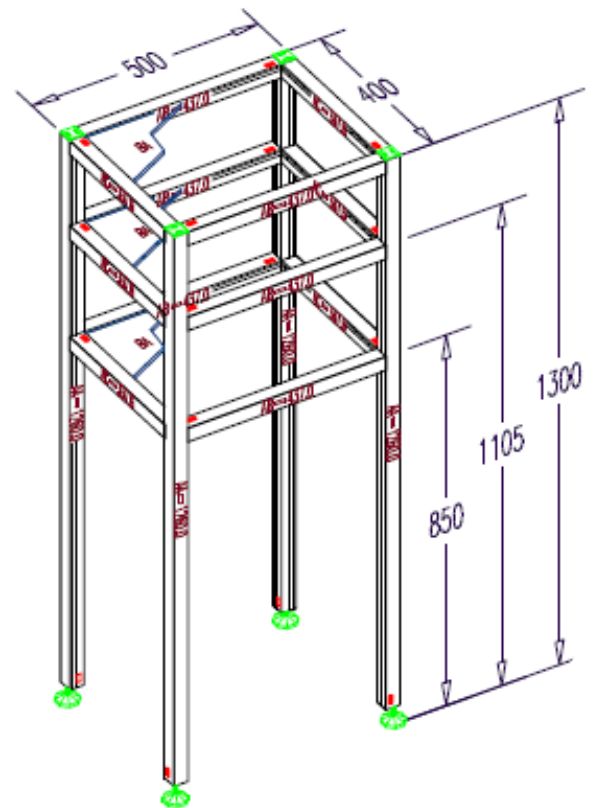

**EC19L0067**

PR2008777 – Norcan GmbH  
Workstation

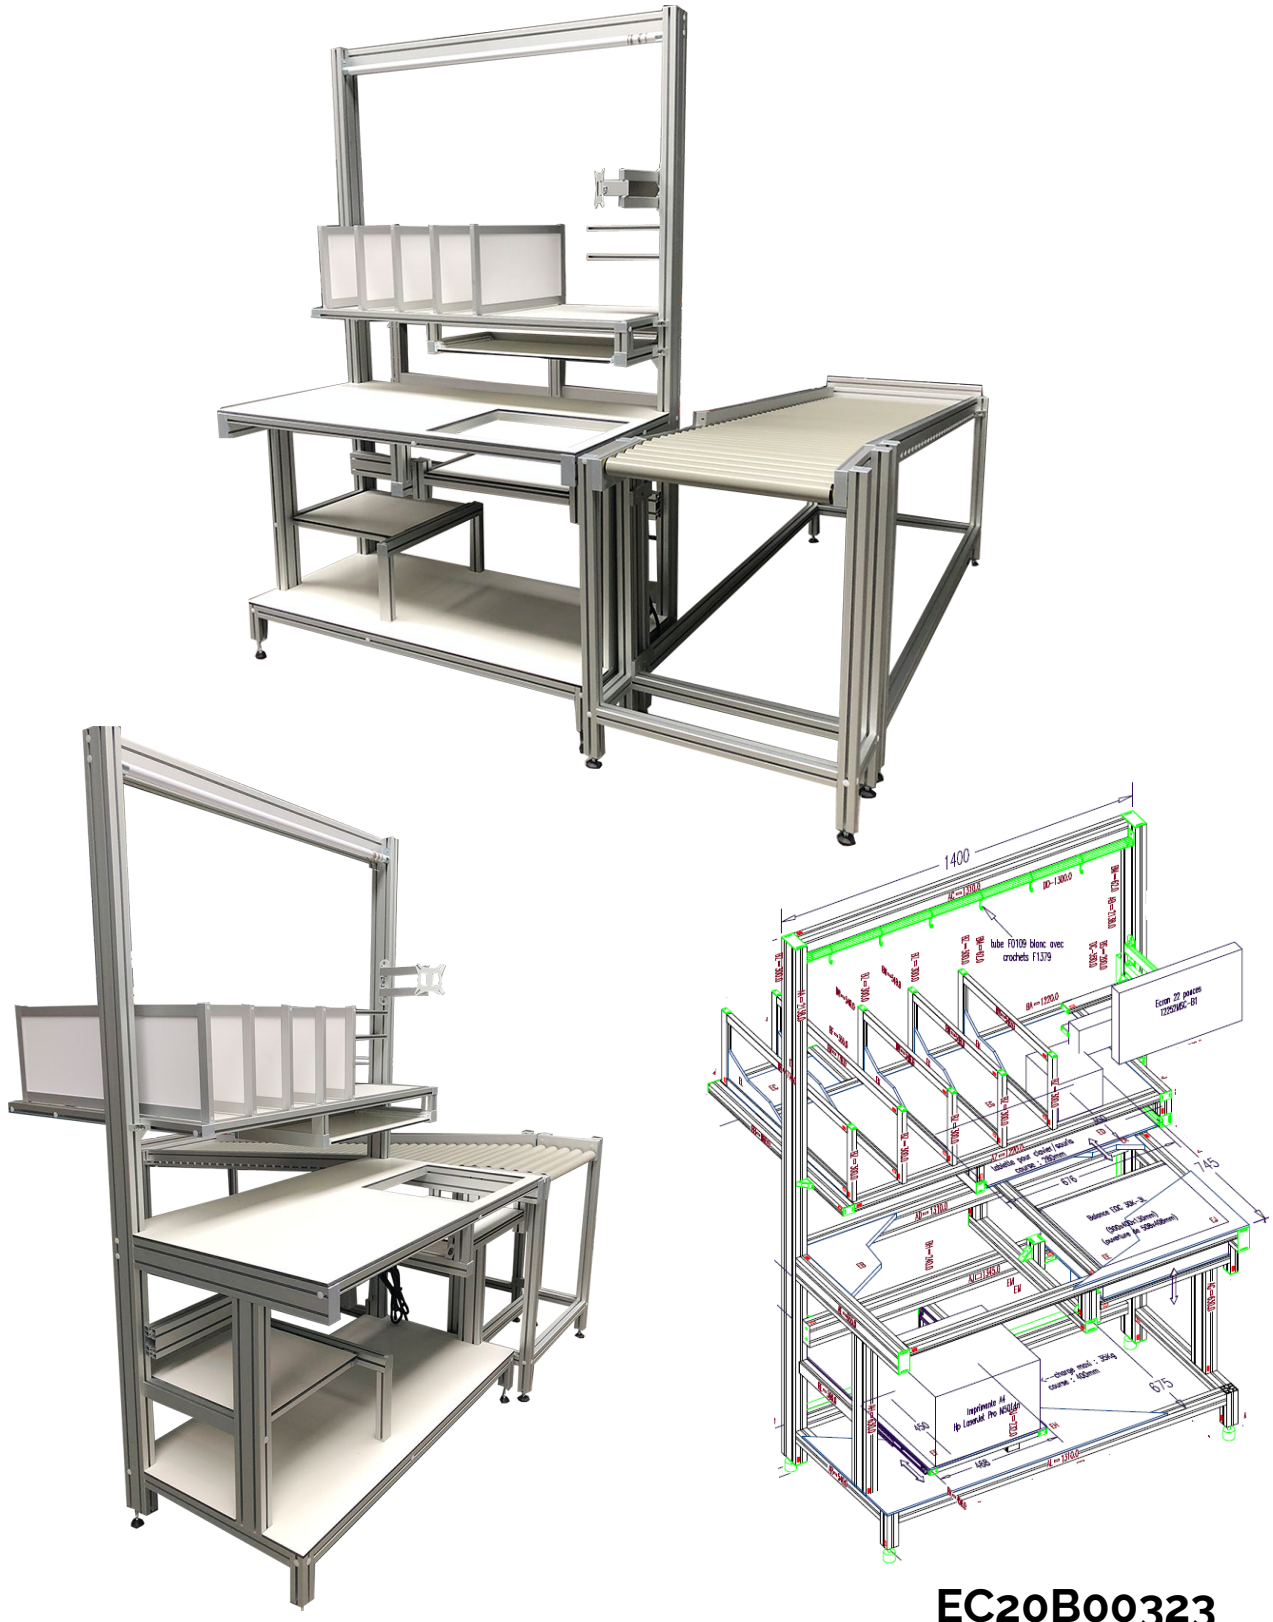

**EC20W00104**

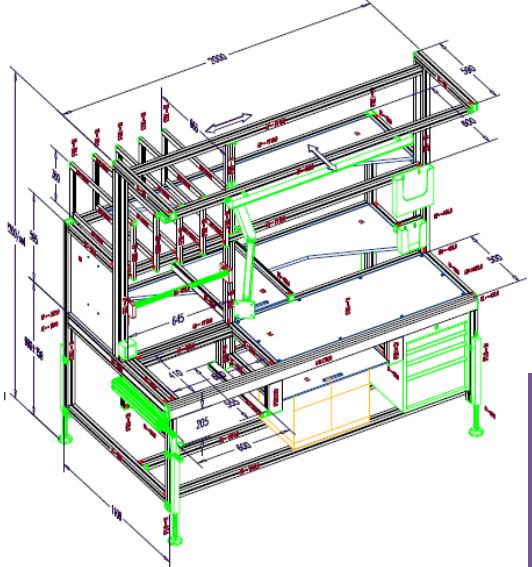

PR2001715 – SEP/PFJ  
 Desk for checking incoming packages +  
 sideboard

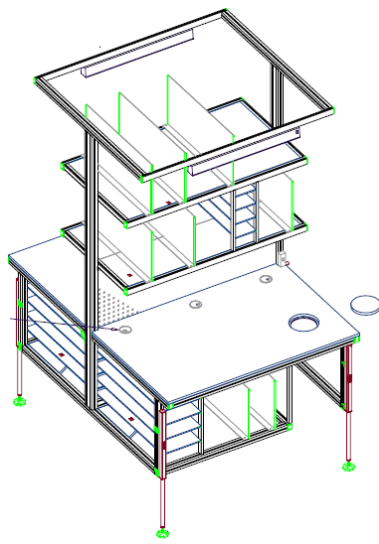

**EC20B00323**

PR2008107 – RNA/WEC  
Packing workstation

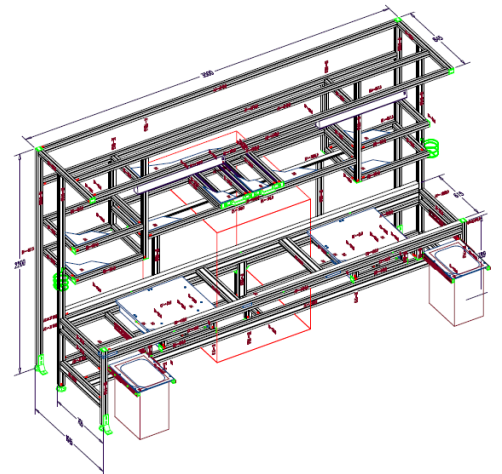

**EC20X00057**

PR2008620 – Norcan GmbH  
Packing station – face to face

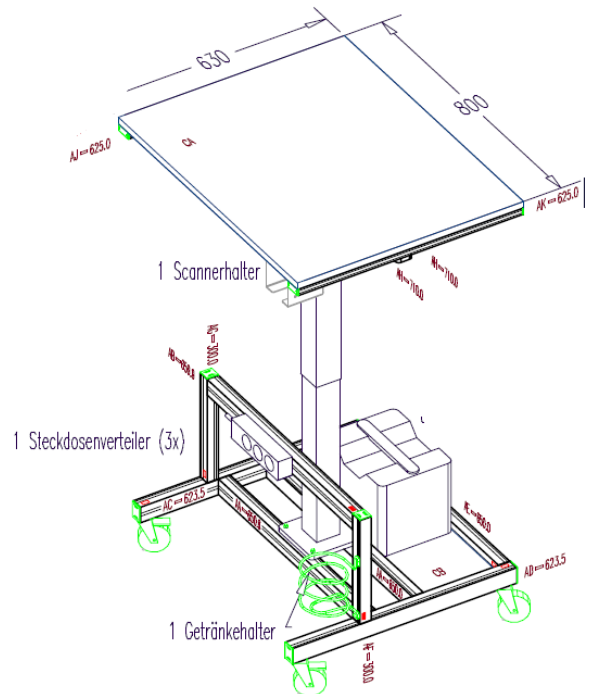

**EC20L00165-AC  
EC20L00210-AE**

PR2007285 – Norcan GmbH  
Mounting bay - 2 integrated scales -  
conveyor system for evacuation

**EC20T00133-AA**  
**EC20T00309-AB**

PR2008899 – Norcan GmbH  
Mobile workstation with lift/lower and battery

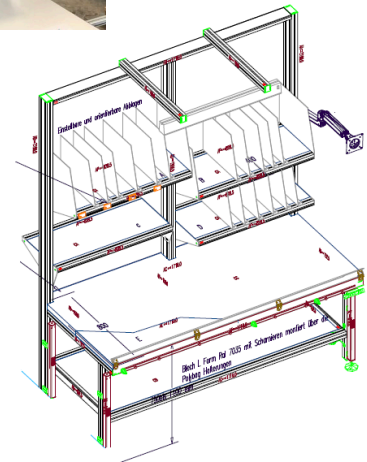

**EC18T00337-AD**

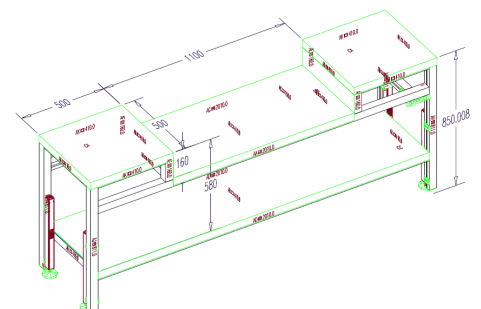

PR2003679 – Norcan GmbH  
Packing station

**EC20C00119**

PR2007589 – RNA/CHS  
Packing table - stainless steel - aluminium frame - smooth face profiles - for the food sector

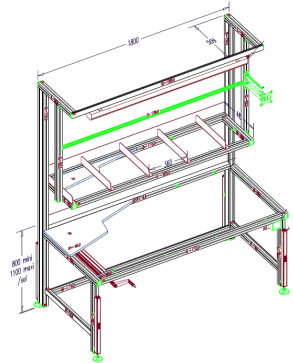

**EC20W00117-AB**

PR2005466 – FLA/LBE  
 Workstation - returns processing  
 Up and down system

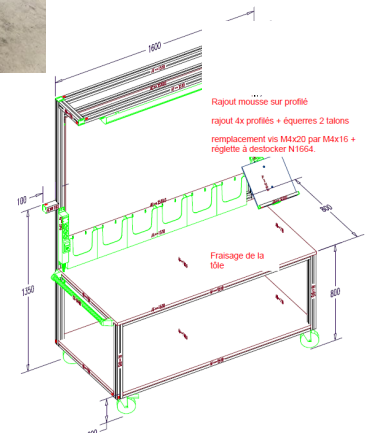

**EC20V00247-AA**

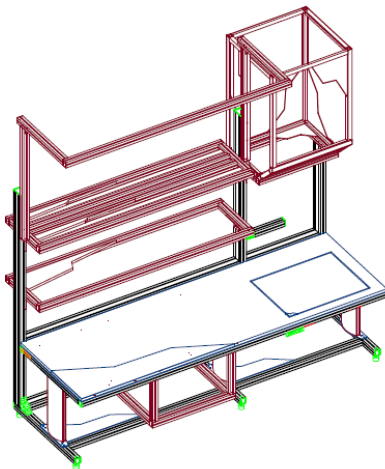

PR2007849 – HSC/VBE  
 Mobile station with stainless steel tray

**EC20W00116**

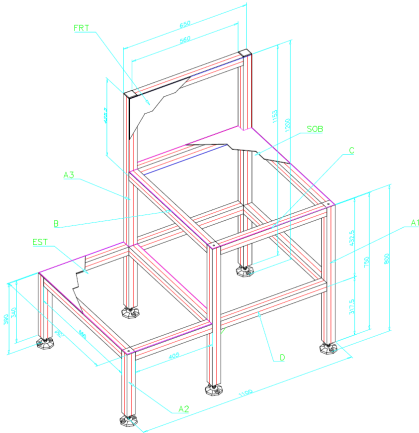

PR2006175 - Norcan GmbH / Double position  
up and down system with electric columns  
labeler integration - evacuation column

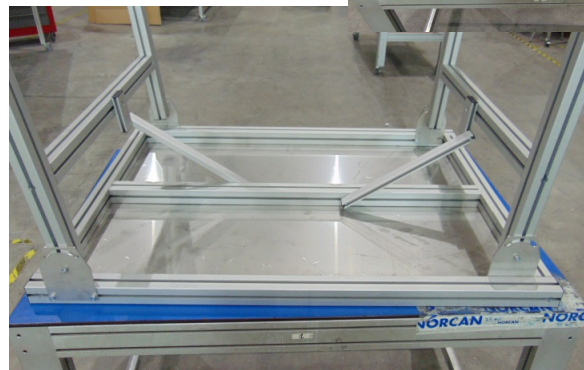

**EC20T00388/386/384/379/333/330  
/332/320/311/310/307/304/302**

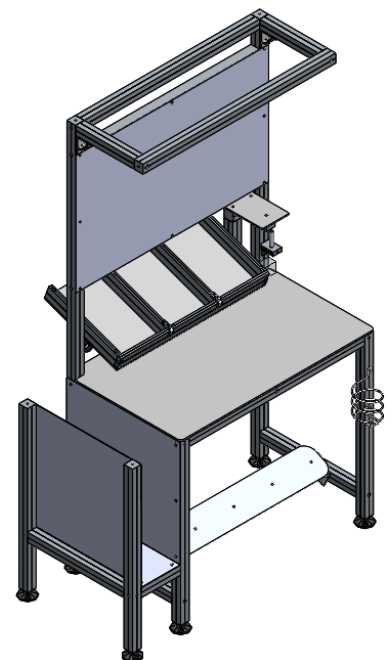

MN16554 – Norcan Hispanica  
 Multipurpose table with 2 working boards.  
 Panels in stainless steel.

MN16502 – Norcan Hispanica  
 Folding table for a convenient  
 storage when it is not used.  
 Simple unfolding system, top  
 surface in stainless steel

MN16897 – Norcan Hispanica  
 Workstation for an efficient assembly of electrical cabinets, Adjustable  
 board for different sizes of cabinets. Holder for a sticker printer and  
 sorting tray for big cabinets on the left side. Front panel in coated steel  
 to attach the instructions with magnets. Bottle holder, footstool,  
 lighting system.

## Norcan Maroc - Cutting table

Norcan Morocco -  
Control station for hydraulic  
circuits of cars With an extension  
board for long sheaths

Norcan Morocco -  
Double sided control station for  
two technicians facing each other

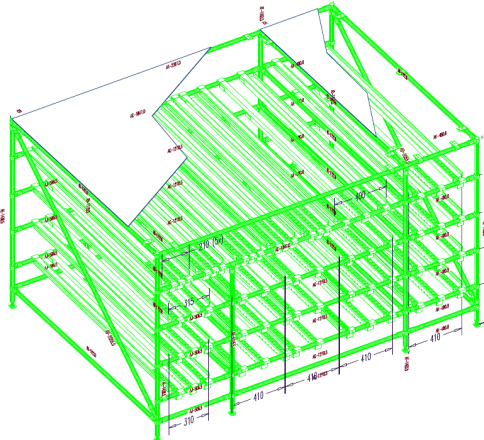

PR2008914 – Norcan GmbH  
Provisioning station
